Re: Transfer from Gold Trek International to Kim Wilson, Pyserts Cabin, S/017/033, Garfield County, Utah

Dear Mr. Wilson:

On May 24, 1999, Mike Terry came into our office. We checked on the status of the Pyserts Cabin and this has not yet been transferred to you. Mr. Terry indicated that you had taken over this project. We had Mr. Terry sign a transfer form which we are now sending to you.

Please complete the new operator section, have it notarized, and then return the completed form to us. We also need the \$100.00 permit fee for this project. It appears this project may be within a two mile radius of one of your other projects (Milla' Martinique, S/017/046 or Gold Queen, S/017/035) which are already permitted with us. If this is the case, we could combine the projects into one file; thereby saving another permit fee. If you choose to go this route, you will only need to submit an updated map showing the location of the Pyserts Cabin site along with the one you have permitted. You would not have to return the form or submit another fee.

We are in the process of getting the 1999 billing statements ready to send, and we need to get this situation taken care of before then. Thank you for your immediate attention to this request. Please contact me at (801) 538-5321 if you have any questions regarding this letter.

Sincerely,

Tom Munson
Senior Reclamation Specialist
